Menopause Care

Comprehensive, physician-led support

Menopause is a natural transition, but that doesn't mean you have to navigate it alone. At Niy Medical, we provide comprehensive, physician-led menopause care designed to address the root causes of symptoms such as hot flashes, night sweats, mood changes, fatigue, brain fog, weight gain, and sleep disturbances.

Through advanced hormone evaluation and personalized treatment plans, we help restore balance and improve overall quality of life. Our approach is holistic, compassionate, and tailored to your unique needs, ensuring you feel heard, supported, and empowered. Regain control of your health and move through menopause with confidence, clarity, and renewed vitality.
